Now that the provincial "Stay-at-home order" has been extended to Thursday, May 20th, the Mission Zimbabwe Project's "Roast beef drive-through/take out supper which was to be held on Saturday, May 8th, has been postponed to Saturday, June 12th.

We want to thank all those who have already purchased tickets for the supper and hope that you will be able to still enjoy our supper in June. We will be in contact by email or phone, with all ticket purchasers in the near future.

By June, our community will have been in isolation for a very long time, so this can be a great opportunity to reach out to family, friends and neighbours and to share a special supper with them and at the same time support the children in Zimbabwe.

VOH Zimbabwe Update: Returning to School!

April 15th, 2021

So the children and caregivers were busy taking care of that. The children could not hide the excitement of going back to school!
